Ceremony Attire

- **theme:** vintage summer picnic...funky, patterns and prints, colorful...bonus points if thrifted
- **colors:** brown/tan/cream and any colors from our invite art, hoping for an overall rainbow:)
- **materials:** fun textures like corduroy, linen, velvet or satin, preferably no leather <3
- **shoes:** heels not recommended due to uneven terrain, maybe a chunky one could work. Sandals or Chacos are great. Barefoot is also fine but there are some sharp pine needles laying around...we'd rather you bring a hammock or towel than another pair of shoes if your luggage space is getting tight
- **accessories:** shell jewelry, ties not necessary, sweater or shawl for later in the night, it might be windy
